

## Nevada Registry of Interpreters for the Deaf (NVRID) Frequently Asked Questions

What is NVRID?

NVRID is the Nevada state chapter of the Registry of Interpreters for the Deaf (RID). NVRID is the only state, professional organization that represents the needs & concerns of interpreters & transliterators. The goal of NVRID is to promote the professions of interpreting and transliterating here in Nevada.

How can joining NVRID benefit me?

NVRID provides a state & local forum for interpreters & transliterators and an organizational structure for the continued growth & development of the professions of interpretation & transliteration.

I'm not a "certified" interpreter/transliterator, can I still join NVRID?

YES!! The philosophy of NVRID is that excellence in the delivery of interpretation & transliteration services among people who are Deaf, Hard of Hearing, and people who are hearing, will ensure effective communication. As the professional association for interpreters & transliterators, the NVRID serves as an essential arena for ALL its members in their pursuit of excellence.

I'm currently an Interpreter Preparation Program (IPP) student, should I wait until after I graduate to join NVRID?

NO!! Both the American Medical Association & the American Bar Association encourage student membership; NVRID is no different. NVRID strives to be a dynamic organization that provides value to its student members by allowing IPP students to take advantage of timely information, career guidance, resume-building opportunities, networking connections, and more.
